Hospital	Core Training (24 months)	Optional Training (12 months)	Total	Remarks	Date of Council Meeting endorsement
PYNEH	12 months General Nephrology 6 months dialysis	12 months either general nephrology dialysis or renal transplantation in an accredited unit/institution	30 months	1. A minimum of 6 months core training in renal transplantation in accredited renal transplant unit/institution, local or overseas 2. A maximum of 12 months optional training in fields which have renal implications. These include research, hypertension and cardiovascular medicine, metabolic medicine, endocrinology, immunity and infection. Approved by the Specialty Board in Nephrology is required.	149th CM on 16/01/04
TMH	12 months General Nephrology 6 months dialysis	12 months either general nephrology dialysis or renal transplantation in an accredited unit/institution	30 months	1. A minimum of 6 months core training in renal transplantation in accredited renal transplant unit/institution, local or overseas 2. A maximum of 12 months optional training in fields which have renal implications. These include research, hypertension and cardiovascular medicine, metabolic medicine, endocrinology, immunity and infection. Approved by the Specialty Board in Nephrology is required.	149th CM on 16/01/04
TWH	12 months General Nephrology 6 months dialysis	12 months either general nephrology dialysis or renal transplantation in an accredited unit/institution	30 months	1. A minimum of 6 months core training in renal transplantation in accredited renal transplant unit/institution, local or overseas 2. A maximum of 12 months optional training in fields which have renal implications. These include research, hypertension and cardiovascular medicine, metabolic medicine, endocrinology, immunity and infection. Approved by the Specialty Board in Nephrology is required.	149th CM on 16/01/04

Hospital	Core Training (24 months)	Optional Training (12 months)	Total	Remarks	Date of Council Meeting endorsement
UCH	12 months General Nephrology 6 months dialysis	12 months either general nephrology dialysis or renal transplantation in an accredited unit/institution	30 months	1. A minimum of 6 months core training in renal transplantation in accredited renal transplant unit/institution, local or overseas 2. A maximum of 12 months optional training in fields which have renal implications. These include research, hypertension and cardiovascular medicine, metabolic medicine, endocrinology, immunity and infection. Approved by the Specialty Board in Nephrology is required.	149th CM on 16/01/04
PMH	12 months General Nephrology 6 months dialysis 6 months renal transplantation	12 months either general nephrology dialysis or renal transplantation	36 months	1. A maximum of 12 months optional training in fields which have renal implications. These include research, hypertension and cardiovascular medicine, metabolic medicine, endocrinology, immunity and infection. Approved by the Specialty Board in Nephrology is required.	149th CM on 16/01/04
PWH	12 months General Nephrology 6 months dialysis 6 months renal transplantation	12 months either general nephrology dialysis or renal dialysis or renal transplantation	36 months	1. A maximum of 12 months optional training in fields which have renal implications. These include research, hypertension and cardiovascular medicine, metabolic medicine, endocrinology, immunity and infection. Approved by the Specialty Board in Nephrology is required.	149th CM on 16/01/04
QEH	12 months General Nephrology 6 months dialysis 6 months renal transplantation	12 months either general nephrology dialysis or renal dialysis or renal transplantation	36 months	1. A maximum of 12 months optional training in fields which have renal implications. These include research, hypertension and cardiovascular medicine, metabolic medicine, endocrinology, immunity and infection. Approved by the Specialty Board in Nephrology is required.	149th CM on 16/01/04

Hospital	Core Training (24 months)	Optional Training (12 months)	Total	Remarks	Date of Council Meeting endorsement
QMH	12 months General Nephrology 6 months dialysis 6 months renal transplantation	12 months either general nephrology dialysis or renal dialysis or renal transplantation	36 months	1. A maximum of 12 months optional training in fields which have renal implications. These include research, hypertension and cardiovascular medicine, metabolic medicine, endocrinology, immunity and infection. Approved by the Specialty Board in Nephrology is required.	149th CM on 16/01/04
YCH	6 months General Nephrology 3 months dialysis	12 months either general nephrology dialysis or renal transplantation in an accredited unit/institution	21 months	1. A minimum of 6 months care training in renal transplantation in an accredited renal transplant unit/institution, local or overseas 2. A minimum of 6 months core training in general nephrology and 3 months core training in dialysis especially peritoneal dialysis in an accredited unit/institution, either local or overseas 3. A maximum of 12 months optional training in fields which have renal implications. These include research, hypertension and cardiovascular medicine, metabolic medicine, endocrinology, immunity and infection. Approved by the Specialty Board in Nephrology is required.	149th CM on 16/01/04
	9 months in General Nephrology 3 months in HD				296 th CM on 27/05/16
	3 months in Peritoneal Dialysis (with effect from 06/12/17)				317 th CM on 05/03/18
	12 months in General Nephrology (with effect from 04/11/24)				401 st CM on 27/02/25

Hospital	Core Training (24 months)	Optional Training (12 months)	Total	Remarks	Date of Council Meeting endorsement
TKOH	6 months General Nephrology (with effect from 01/01/06)				175 th CM on 24/04/06
	9 months (6 months in General Nephrology and 3 months in Haemodialysis) The Haemodialysis accreditation should begin 12 months post start up service of new HD centre, i.e. from October 2013.				261 st CM on 27/06/13
	3 months in Peritoneal Dialysis and 9 months in General Nephrology (with effect from 24/10/17)				317 th CM on 05/03/18
NDH	6 months (with effect from 01/07/07)				189 th CM on 28/06/07
	6 months General Nephrology and 3 months in Haemodialysis				261 st CM on 27/06/13
POH	6 months General Nephrology				304 th CM ON 18/01/17
	9 months (include 6 months for General Nephrology & 3 months of Peritoneal Dialysis (with effect from 21/10/24).				401 st CM on 27/02/25

	With rotation to TSWH, TSWH was accredited for 3 months in Haemodialysis (with effect from 21/10/24)
